Scarborough Town Council proclaims January 16th Lion Leonard K. Libby Day!

Dear Scarborough Lions and Friends –

I would sincerely like to thank you for the marvelous surprise celebration honoring my fifty years as a Lion. The supper and presentation were both humorous and thoughtful.

I came to the meeting expecting maybe a pin for being a member for fifty years, and I came away feeling the love and fellowship that many Lions may never feel. For this I am most grateful.

This meeting taught me never again to trust you Lions, my wife, and my so-called friends, Lion Bill Pape and Lion John Maroon, again. Imagine linking me with Bill Pape's Senator Hillary and his idol Saddam (complete with a harem), all this talk when my minister was present. Incidentally, my special thanks to Norma Maroon for her artistic talents, Lion George Gruber and wife Shirley, Carol Pape, Lion Dick Reid, Lion Norm Brown, Pete Hansen, Lion Gary Lamson, Lion John Flaherty, King Lion Bob Sparda, Arthur Price and the Boy Scouts, and all others who made this really special.

John Maroon has always said he can't do this or that when asked to, but he showed his true talents – Cook Supreme. A new cook for roast beef suppers. Hooray! The meal was great, John. Thanks.

Thanks again you Lions and friends for a night to be remembered.
